

ROAD TO RECOVERY

STAAR results can show families and teachers how disruptions to instruction over the past year impacted learning. Next year, teachers can use results along with report cards and family input to co-create plans to support their child's academic progress.

Follow **4 EASY STEPS** to Log in & Learn More

1 Starting on **June 28th**, visit TexasAssessment.gov

2 Click "**Find My Access Code**" & log in.

3 **Review** your child's results and the personalized resources to support learning at home.

4 At the beginning of the school year, **discuss** the results with your child's teacher and work together to support your child's learning.

This year, STAAR results will not be used to evaluate teachers or grade schools. They are for learning only and are meant to show where your child is meeting grade level expectations in each subject and where they may need additional support. It is one of many important steps to our school's recovery. Visit TexasAssessment.gov for your child's STAAR results.
